## **GOO-FEST and the EMU CUP 2013**

Well what a great time we all had at Goo Fest! It was a fantastic couple of days with huge smiles all around, particularly during all the wacky races.

We'll be running the Emu Cup every year from now on and next year we want the community to get together to run it. If you want to have an influence on what we do in 2014 then get in contact with me and we'll set up the 2014 Emu Cup committee.

I just want to say a big thank you to Adam, Laura, Louise and Carol for helping build the emu costumes that looked so great on the day. Thanks guys, you did a brilliant job!

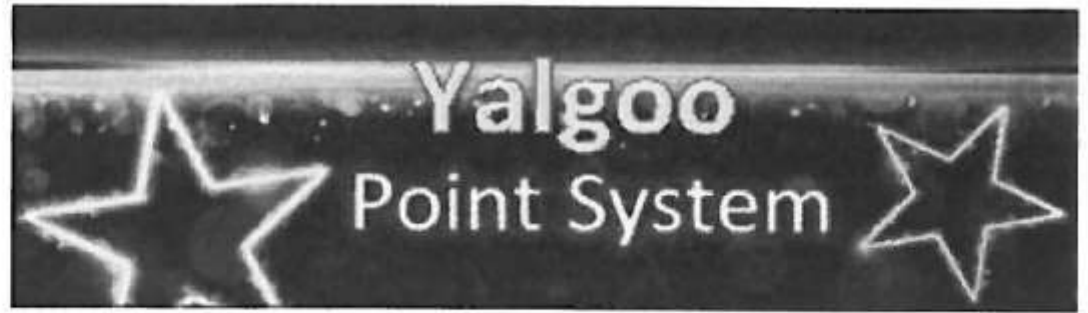

I'd also like to thank Di Hodder for helping out on the day and Emma, Nick and Tom from Indigenous Community Volunteers and Leo from Curtin Uni Volunteers for being here to help out to. And thanks to the whole community for turning out with big smiles and lots of fun and showing our visitors what a great place Yalgoo is...even when it's hit by a mini-cyclone!

## Points system for the kids

The points system has been up and running for a couple of months now. Unfortunately there are plenty of kids who have lost points and they will have to come and earn new points if they want to go away on future day trips and camps.

We had to do a big clean up in the rage cage recently because kids have not been respecting the space...carrying in stones and dirt and leaving it lying around, making a huge mess. We know this is mainly the little kids who don't know any better, but sometimes bigger kids are there and they do know better – so please, if you see one of the little ones doing the wrong thing please stop them and explain in a nice way why they shouldn't do it. **Let's keep the Rage Cage area nice for everyone!**

If any kids want to earn their points back come and see Mata or me and we'll give you a job to do. For any kids who want to earn points to get rewards, just be seen being nice and polite or you also can come and do some jobs at the hall or around town.

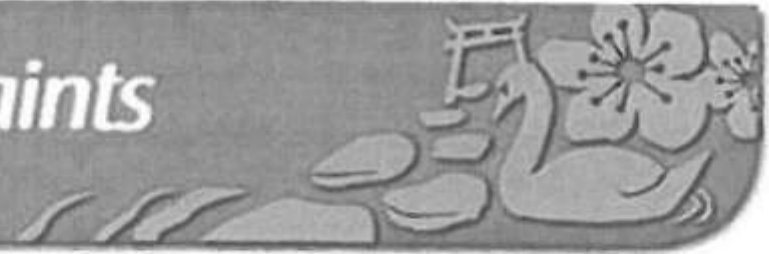

By the time this edition of Bulldust hits the press we will be almost through the first week of the holidays. Five people, Annie, Leo, Karen, Ben and Lisa from Curtin University Volunteers have been in Yalgoo for the first time to help deliver some fun holiday programs. This will have included an overnight camping trip to Jingemarra taking a group out there for the first time camping.

In the second week of the school holidays, Courtney will be bringing 5 other volunteers from Eddy on the Road to Yalgoo. I think this is their third, maybe even fourth time in Yalgoo so they are slowly but surely getting to know all the kids in the community. They will be bringing their trailer full of heaps of really fun things to play with. We're planning a day trip and BBQ lunch out to Jokers Tunnel during their visit. Everyone welcome.

## Regional WA women invited to put best foot forward

Vince Catania, Member for North West Central, has encouraged women to nominate themselves to join an influential reference group that provides a leading voice for regional women.

The Rural, Remote and Regional Women's Network of WA was established in 1996 to bring women from regional areas of WA together to recognise, promote and expand the contribution they make to their communities. Nominations are now open to join the organisation's reference group, which comprises 15 members who are appointed for a three-year term from the beginning of next year.

Vince Catania encouraged women from North West Central who want to make a difference to put themselves forward.

"This diverse group plays an integral role ensuring the network stays in touch with developments in regional communities across WA," Vince said.

"Reference group members are part of an extended network of people promoting regional initiatives and events, highlighting current issues in their communities and providing strategic direction."

The reference group meets twice a year in Perth to review activities and develop future strategies for the RRR Network, which has a membership base of 7500 in WA.

Additional web-based meetings are also held during the year and the network connects members with its quarterly Network News magazine, monthly e-newsletter and social media.

Reference group chair Leonie Noble said joining the group offered a great opportunity to raise the profile of WA women, showcase their strengths and achievements and set the strategic direction of the RRR Network.

"As a member of the reference group you will bring your networks and local and regional knowledge to the table in order to raise issues that impact WA's rural, remote and regionally based women, their families and communities," she said.

Nomination forms for the RRR Network reference group can be accessed from its website at [www.rrr.wa.gov.au](http://www.rrr.wa.gov.au). Nominations close Monday, September 30.

For further information about the RRR Network, go to <http://www.rrr.wa.gov.au> or email [rrr.network@drd.wa.gov.au](mailto:rrr.network@drd.wa.gov.au)

## Vince Welcomes Value Expansion to Pensioner Fuel Card

Vince Catania MLA, has welcomed a State Government announcement that Country Age Pension Fuel Card values will be increased to \$550 from 1<sup>st</sup> July 2014.

The \$50 increase, which will be made available to almost 50,000 fuel card holders, was announced by Regional Development Minister Brendon Grylls earlier this month.

Vince said *Royalties for Regions* would provide \$24.9 million in 2013-14 through the Regional Community Services Fund to raise the value of cards.

"The increase in Country Age Pension Fuel Card value was an election commitment from The Nationals WA and I'm proud to deliver good news to card holders in North West Central thanks to *Royalties for Regions*," Vince said

"It is a vital initiative that allows those living in eligible regional areas to access the card and remain mobile, contributing up to \$550 in fuel costs or taxi fares, or a combination of both to the same value."

The cards are available to anyone receiving a Centrelink Age Pension, Carer Payment, Disability Support Pension, Wife Pension or Widow B Pension or a Department of Veterans' Affairs Service Pension, Social Security Age Pension or Income Support Supplement.

Applicants must be living in non-metropolitan areas and cards are limited to one per couple.

The State Government plans to index the card value each financial year with *Royalties for Regions* committing more than \$116 million to the Country Age Pension Fuel Card over the next four years.

Vince said the scheme significantly lowered the cost of transport for regional pensioners and was now complemented by the Emergency Services Volunteer Fuel Card, also a National Party commitment at the State election.

"The Volunteer Fuel Card will provide up to \$2000 per year to eligible emergency service volunteer organisations around WA, with *Royalties for Regions* pumping \$5.6 million over four years into the program," Vince said.

"This recognises the lengths volunteers often go to, sometimes incurring expenses out of their own pocket, and will go some way to recognising this contribution."

More than 550 fuel outlets across WA are participating in the Country Age Pension Fuel Card scheme.

Eligible persons can call 1300 666 609 to find the nearest participating country post office and complete a Country Age Pension Fuel Card application form.

For more information contact Vince Catania on (08) 99412 999 or Email: [northwest@mp.wa.gov.au](mailto:northwest@mp.wa.gov.au)
