# From the CEO's Desk

## Project Update.

1. The Arts Centre project contract has been completed and will commence as planned and should be finished this financial year.
2. Widening of Yalgoo/Morawa Rd should commence in the next few months. This will widen the seal to 7 meters and we hope to get about 30km done in the first year from the Yalgoo end.
3. Re-sheet and widen Jokers Tunnel Rd has been completed by our works staff.
4. Quotation has been received for works on Ninghan Rd to repair worn/damaged seal particularly in floodways.
5. New LED floodlighting has been installed in the Rage Cage. These lights offer greater resistance to the vandalism and damage that has occurred previously.

## Plant and Equipment.

A new concrete batching plant from Queensland has been delivered along with a second hand agitator truck from Victoria. This equipment will enable us to supply our own concrete at a suitable price to carry out many of our capital and maintenance projects in an efficient manner.

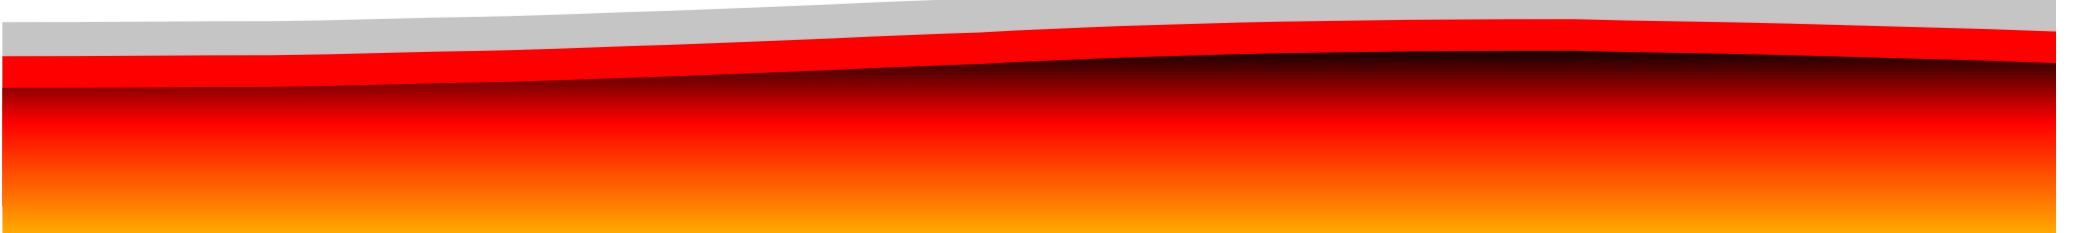

A replacement Works truck has also been received. The new truck is automatic and has a modified tray to enable safe access to the back tray for staff.

## Shire Award!

Myself, Neil and Raul travelled to Perth to accept an award from the Public Health Advocacy. This award was won due to the Bicycle Safety program recently run by the Community Development Officer in conjunction with Yalgoo Police. This program was recognized above other entries from the City of Kalgoorlie and City of Geraldton. Well done to all those involved including the participants!

## Current Funding Applications in the System

### 1. Royalties for Regions Mid-West Development Commission Funding

#### **Name of Project: Yalgoo Arts, Culture and Information Centre**

A funding application was submitted in September 2016 to the Mid-West Development Commission for the establishment of the Yalgoo Arts, Culture and Information Centre. Currently the women occupy one small room in the MEEDAC building. The room is constrained by its size and community members are hindered in their attempts to engage in and promote the arts, crafts and culture within the community.

The proposed Centre will play an important role in providing an environment that is suitable for art and craft activities, workshops, and the exhibition of works created by community members. The Centre will offer an opportunity for all community members (in particular women and children) to participate in the arts and culture space, showcasing a diverse range of mediums and creative responses to the unique location of Yalgoo.

**Update:** The Shire has been informed that they will hear in the near future as to the outcome of the funding application.

### 2. Department of Sport and Recreation

#### **Name of Project: Up Grade Sports Oval.**

An application was developed and submitted to the Department of Sport and Recreation for the upgrade (the first stage) of the Yalgoo sports oval in late August 2016.

**Update:** The Shire has been notified that it should hear from the Department of Sport and Recreation in the near future as to the result of the application process.

### 3. Regional Events Scheme: Tourism WA

#### **Name: Yalgoo Emu Cup Fund Day and Family Concert (2017).**

An application for funding was submitted in late 2016 for funding to run the 2017 Yalgoo Emu Cup Fund Day and Family Concert. The event engages community and visitors in an annual festivity.

**Update:** Success of application will be known later in 2017

### Current applications

### 4. Lotterywest

An application for funding to Lotterywest is currently being developed to contribute to the costs of landscaping the entry area of the proposed Yalgoo Arts, Culture and Information Centre. It is proposed that the landscaping will be visually appealing, consisting of native plants, dry creek bed and small bridge – adding to the aesthetics of the proposed centre.

### 5. Lotterywest

An application to Lotterywest is currently underway for a contribution to the Yalgoo Emu Cup Fun Day and Family Concert.

## **6. Building Better Regions – Department of Industry, Innovation and Science (Commonwealth) Community Scheme**

An application to Lotterywest is currently being developed for a contribution to the Yalgoo Emu Cup Fun Day and Family Concert.

## **7. Building Better Regions – Department of Industry, Innovation and Science (Commonwealth)**

### **Name: Paynes Find Upgrade Parking Bay**

An application has been developed to request for major funding through the Department of Industry, Innovation and Science Building Better Regions Scheme.

It is proposed the funding will be used to seal the existing rest area for articulated vehicles, caravans and motor vehicles that stop at the Paynes Find Roadhouse . The project will also provide for

- demarcation zones – Trucks; Caravans; and general vehicle bays/zones, thus addressing road safety/ traffic issues in and around the Roadhouse, and
- Pop up information Centre to assist travellers in planning their journey

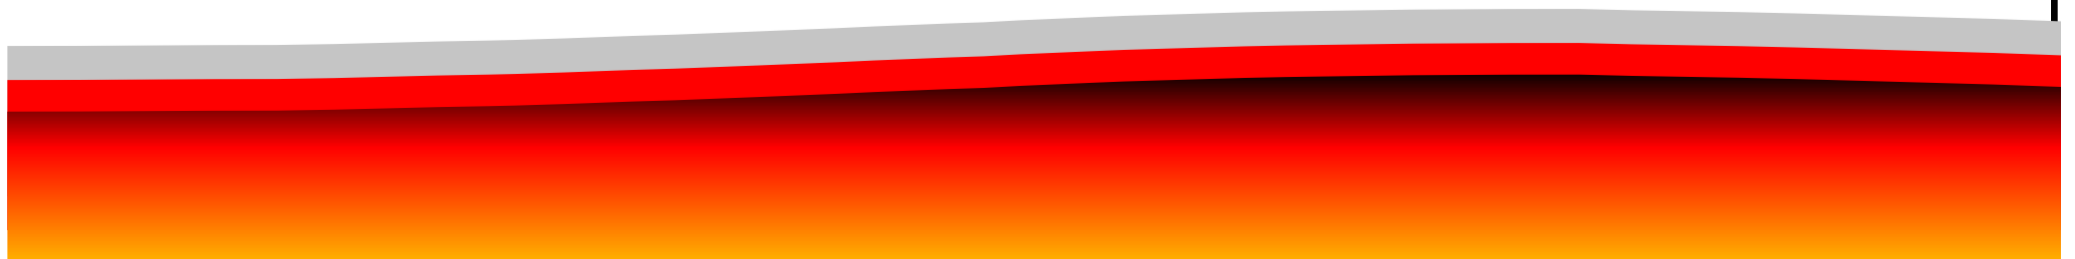

**Update:** Applications for funding round opens 18 January 2017.

## **8. Building Better Regions – Department of Industry, Innovation and Science (Commonwealth) – Infrastructure Scheme**

### **Name: Housing**

An application for funding for government housing (two units) is currently being undertaken and will be submitted for consideration in February 2017. The funds will assist in the complete construction of 2 x staff units on one block.

Silvio Brenzi  
Chief Executive Officer  
Shire of Yalgoo  
THE OUTBACK STARTS HERE

# Presidents Page

Hi all Yalgoo people.

I would like to wish everyone a Happy New Year and I hope you all had a happy and safe Christmas break.

The end of year party held at Paynes Find was well attended and it was great catching up with everyone and relaxing having a few beers and a BBQ. The Yalgoo Council Christmas party was well attended and it was also great to catch up with everyone and have few beers and meal.

I would like to wish ex Cr Percy Lawson all the best and thank him for his input and commitment to the Yalgoo Shire Council over the last couple of years.

We have our Electors meeting on the Friday the 20<sup>th</sup> January at the Yalgoo Shire Chambers and Council looks forward to seeing you then.

Next week the Council's Wild Dog committee will meet to set the guidelines for the Yalgoo Wild Dog bounty.

We have budgeted for \$10,000 @ 100 wild dogs, \$100 per dog. These guidelines will go up to council the following week and hopefully it will get up and running soon.

Council duties will start to crank up next week so look forward to seeing more of everyone, it has been a good break for myself to recharge the batteries as the last 3yrs have been pretty demanding. I look forward to a very positive 2017 year with many things on the table to deal with.

One thing I find very disappointing is the last spat of break-ins around town over the holiday break. Especially the break-ins and vandalism to the towns Emergency Services (St Johns Ambulance and Voluntary Fire Centers) these voluntary services are for all people of Yalgoo and are there to save lives-YOUR LIVES! I just hope that no ones family member seriously needs help from one these services and find they unable to help because of the damage caused by the break-ins and vandalism. Not very thoughtful by who ever did this crime.

People from outside of Yalgoo also hear about these things happening and think that everyone in Yalgoo is the same, this is wrong as there is a lot of good people in Yalgoo and a handful of trouble makers giving our town and people a bad name.

I hope the Yalgoo police are able to find these criminals.

All the best everyone.

President,

Neil Grinham.

## Ordinary Council & Committee Meeting Dates for 2017

The Shire of Yalgoo schedule of meeting dates and locations for 2017 are as follows:

January	20	Friday	10:00 am	Electors'		Yalgoo
January	27	Friday	11 00 am	Ordinary		Yalgoo
February	24	Friday	11 00 am	Ordinary		Yalgoo
March	31	Friday	11 00 am	Ordinary		Yalgoo
March	TBA	Friday	10 00 am		Audit	Yalgoo
April	28	Friday	11 00 am	Ordinary		Paynes Find
May	26	Friday	11 00 am	Ordinary		Yalgoo
May	26	Friday	10 00 am		Finance	Yalgoo
June	30	Friday	11 00 am	Ordinary		Yalgoo
July	28	Friday	11 00 am	Ordinary		Yalgoo
July	28	Friday	10 00 am		Finance	Yalgoo
August	25	Friday	11 00 am	Ordinary		Yalgoo
September	29	Friday	11 00 am	Ordinary		Paynes Find
October	27	Friday	11 00 am	Ordinary		Yalgoo

## Women's Group

Big year ahead with us all working towards the goal of getting our garden up and growing, we hope to have enough food to assist us in providing a meal/ meals for the children's lunches at the primary school. We are looking to get our op shop up and running on a regular bases, all money generated through the op shop will go into a fund bucket to service the goals and plans we make as a family. We will be open for business Monday February the 6<sup>th</sup>, full details of shop hours can be obtained at the Yalgoo Women's Opportunity Shop, and remember family every dollar we make goes back into our community to keep children in peak condition for learning.

## Men's Group

# MEN'S GROUP

Thank you to the Shire for the support you have given to get this project up and running, we now have a building we can be based in; we have the tools to create and fix things, with a bit of elbow grease we can set us up a work shop that caters for the young men and their fathers. The idea here is to make us a place that we can teach and learn from each other, to build a place that we can share with the communi-

ty, a place that gives us the opportunity to take on new tasks and skills. The main focus for the men who have been involved with the men's group over the last year has been to create a place that gives the young men and boys of Yalgoo a chance to grow and learn. The goal is to stare our young men away from the temptation that exists when one is board or being influenced by peer pressure to commit crime on their community and family. May be we haven't done that well in the past achieving this goal, however this is a new year, we now have the tools and building to make something happen. Do we wait to lose more of our children to the system based on their bad choices, or do we create a place and work towards a place where the young people look after their own and everything we hold dare.

## Play Group

Will be open as usual from Wednesday the 1<sup>st</sup>, we will have a new time table available for parents on this day. For all the parents of pre-schoolers in town bring the babies down so they can have social time with their peer group, we have resources here for to use with your child to enhance their ability to learn.

REMEMBER PARENTS ARE THE FIRST TEACHES OF THEIR BABIES, 200 YEARS AGO YOU WOULD HAVE TAUGHT YOUR CHILDREN EVERTHING THEY NEEDED TO KNOW TO SURRIVE IN THE WORLD THEY WERE LIVING. IF WE TAKE THIS CONCEPT AND APPLAY IT NOW, THE ONLY REAL PLACE WE CAN DO THIS IS AT HOME, KINDY OR PLAY GROUP.

You have the chance to be part of the new direction we might take our play group, the shire has managed to source out funding for a new play centre, the time is now for us to put the hard work in, and when we move we will have a clear direction and plan for the children of Yalgoo and what we need to do to make it happen.

## After club

After club runs Monday to Thursday during the school term, 2.45 to 4.30 pm, the hall is the main base for activities or blobbing out, it always nice to see parents in the hall with their children, simply watching them or doing things with them. I am always on the lookout for motivated people that have a bit of time to share with the community children, come on down and let's see what kinda of magic we can make happen.

A big thank you to all the people that have come down to help with activities, movies, community events this stuff does not happen without the help of community members, to anyone that has contributed to last year thank you sooo much.

## Meedac

To David, Craig and the boys and girls it's so nice to see the work happening in and around the hall, I look forward to the upcoming year, so we can sit down and plan our next stage of landscaping. Helping Hands are creating usable spaces in the community, thank you down at Meedac

Special thank you to the ladies group who have been there every step of the way, without you lot our hall would have no life and our children would be cold in the winter and burnt in the summer. The doors stay open because you give your time and energy to the children.

Over the last year we have gone from a Centacare office and play group room to having a Community hall, Community gym we are working on a community garden for the children along with creating a space for youth and men to interact in a positive way together, the ladies are working towards their goal of providing lunches for the children.

We as a community have been busy creating the space that we now call the community hall, the work has only just begun, I look forward to all the challenges ahead, after a year and half in community, your community feels like my community, a home away from home.

Tamihana Cummings

# Community Development Calender from Linaire Hodge

## Yalgoo School and Shire Children's Xmas break up party

This was formed from a meeting I had with Gail from the school requesting that I have a meeting with the Principle and teachers to ask if we can combine our events.

Prior to the meeting I had put in a request for mothers to help me go shopping for the children's x-mas presents in Geraldton .I booked the bus and got the women's group to assist me in purchasing all the presents from the ages of 0 to year 6 graduates from the Yalgoo primary school . These presents are from the money donated from MMG mining .in which I need to acknowledge from the children and the Shire of Yalgoo

From this yarn I was invited up to the school, to meet with the teachers and Phil to discuss joining forces and to hold the event down at the community hall on the 7<sup>th</sup> December 2016.

This was a great way to bring both the School and Shire together for the one event.

From there I put in a request to Ray to ask the Shire men to assist me in getting a real pine tree to put up in the hall.

I arranged for Matt T to be the Santa and Elvy dressed up as the Elf on the day

.I arranged the decorations I had purchased for the tree, in which Meedac workers came in to and dressing up the community hall for the Xmas theme and for the children to have a stage they can perform on.

Tamihana had prepared the stage for the children and got the hall organised for the event.

We then discussed the Menu and shopping for the event in which my self, Barbara and Coralie went to get in Geraldton.

On the Tuesday morning into the evening I had Michelle and Maureen helps me cook and prep the food for the following day.

The concert run smoothly, the teachers were happy with the out come of the program, they finished there concert early so they went back to school to let us re set up the hall for the main meal

On the day of the event I had mothers, care givers, nanas and individuals come to help as I wanted the children and Elders seated and to be served.

I had 8 ladies assist me in serving the children and Elders at their tables. I then invited every one else to self serve as we had the food set up for all to form an orderly line (smorgasbord).

Every one enjoyed the day the children and the meal .Santa and his Elf came into the room once the children had been seated on the floor in front of the tree and Santa .Presents given out to all children laughter and happy faces from each of the children as they opened their presents. Rubbished picked up pudding served ,prior to the children going home and returning in the swim wear to enjoy there time in the pools the Shire workers set up out side the hall for the after noon activity . Parents supervising all children, by the pools .They prepared one last meal for the children, before our day ended at 6 30 pm.

I would like to take this time to thank all those whom helped make this event happen and run successfully on the day and leading up to it.

Our next outing is on the 15 December to MMG for Dinner to thank all those whom had helped Centacare and CDO out through out the year.

Linaire Hodge

# Anti Bully Workshop

The Anti Bully workshops held at the Yalgoo community hall on the 9th to 12 of January 2017 Run by Gina Wright and her son Deniro Wright taking the children through their drills, building body strength, Self esteem building, self motivation, leadership and team work.

The group aged from 5 to 16 young persons keen to learn and participate in the work shop The dedicated few continued to listen and learn the dripline of the art taught to them over the days of participation.

This was a first for Yalgoo community to have the children engaged fully in a sport that will help them resolve their issues in a positive manner.

The program covers

1. Empower the children with self confidence
2. Health and well - being
3. Balancing the power between victims and bullies
4. Altering the peer pressure dynamics, so the children may be able to step in and lend a helping hand to their peers.
5. Discipline and empowerment
6. Fun and social engagement
7. Entering personal spaces with respect

## **Bottled water for bottle-fed infants less than three months of age**

This delivery of bottled water is for bottle-fed infants less than three months of age residing or temporarily living in our service localities. Please make sure all bottled water is stored directly out of sunlight, and is appropriately disposed of when it has exceeded its best before date.

The drinking water is safe for everyone else to consume.

To order more bottled water, please contact the Water Corporation OC Duty Operations Manager on **9273 4511**, or **131375** if unanswered, please contact us early, as delivery may take a number of days for remote locations.

# YALGOO COPS ON THE BEAT

The last 3 months have been exciting watching the new police station take shape every day something different was happening and then I finally got the keys and it's been absolute awesome adventure from there on.

The opening took place on the 3<sup>rd</sup> November 2016, we had the Honourable Liz HARVEY Deputy Premier attend and officially open the station.

The only disappointing part of the day was people building up plates for takeaways, the food was awesome but unfortunately there were a few who missed out because of those few who took it upon themselves to take enough food for breakfast, lunch and dinner, I've never seen that before, must be a Yalgoo thing.

Crime continues to rise in Yalgoo with a steady amount of burglaries, stealing and damage offences, the most significant being the burglary on the Yalgoo Hotel where a large quantity of alcohol and cigarettes were stolen along with a large amount of cash.

I spoke about the store getting burgled in the last edition and now we're talking about the Hotel, what next? And unfortunately again it is allegedly our local youths that are involved again, unbelievable why these people would provide an excellent service to the community when the minority of this community steal their profits and destroy their hard work.

Our Xmas road traffic campaign has come to an end and thankfully I can say there were no loss of lives or serious injuries to anyone in the community, although I did personally issue 7X infringements for seatbelt offences to locals in Yalgoo and when you think there was only around 100 people in the community those figures are quite alarming.

If you drive around Yalgoo without a seatbelt, licence or un-roadworthy vehicle then you are going to be infringed or spend a day in court, just because you only drive a short distance is no excuse and will not be tolerated.

Police officers are police officers 24 hours a day, 7 days a week, we are not paid at that rate, but whether we are in uniform or plain clothes we are police officers and if we see offences being committed during those times we will act on those. There are some individuals in Yalgoo who seem think we can't act when not on duty, trust me we can and we will.

As we are only early into 2017 let's all pledge to make Yalgoo a safer place, you know who the criminal element in town is, most of you are probably related to these people who are selling drugs, committing burglaries etc. it's time for you to approach them and say enough is enough and dob them in to your local police.

I have been here now nearly 2 years in March this year, that is my tenure and I will be leaving once I secure a position. We have met some nice people.

When police officers come to a small community they bring their families and want to become part of the community so when the next Officer in Charge comes here please make him/her feel welcome.

As we are now writing these editions every 3 months this will be my last at Yalgoo so I wish you all the best for the future.

From  
Yalgoo Police

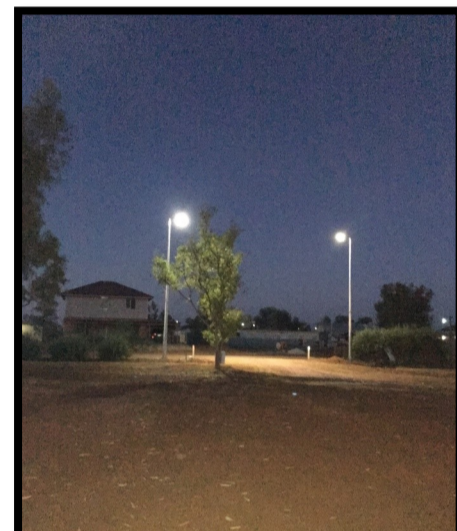

# Yalgoo Caravan Park Update

Since our last publication we have had some activity at the caravan park in terms of works completed.

Our rammed earth buildings have been sealed inside and out by Westside Painting Service, new lights have been erected at the gate entrance thanks to the works crew team and Kelvin and Ben Crowe. The electricians also installed two fans in the camp kitchen and new lighting over the BBQ shelter. Fan are working a treat in the hot weather thanks to the donation from Peter Smith.

# St John Ambulance

## Notification

St John Ambulance offers a service here in Yalgoo with the aid of volunteers. These members of the community are selfless in their giving of time and energy for the benefit of the residents in the Shire of Yalgoo and the surrounding area when required.

Following recent break-ins to the shed, theft and damage to equipment, we would like to notify the community that this behaviour and attitude to this service will no longer be tolerated. Yalgoo volunteers have decided that ANY further damage, theft or negative attitudes to this service will end the provision in Yalgoo.

It is therefore recommended that anyone who takes part in theft, damage or general misuse of this service will be affecting the entire community and the safety of their friends and family.

It is hoped that our community can stand together to prevent these actions in the future and maintain this service to Yalgoo.

St John

## New lifesaving RFDS aircraft for the north-west

11<sup>th</sup> January 2016

The Royal Flying Doctor Service is set to significantly expand its aeromedical servicing capacity across the North-West with a \$23.16 million investment thanks to *Royalties for Regions*.

A new Pilatus PC 12 aircraft fitted with the latest in medical, communications and aviation technology will ensure remote communities in Regional WA have access to adequate medical response services in a time of need.

The RFDS provides a crucial lifeline to remote communities and the many visitors that frequent our popular tourist destinations and it is great to see *Royalties for Regions* playing a vital role in improving health outcomes for patients.

"This significant essential life-saving service will improve access to quality medical facilities and specialists," said Vince.

"*Royalties for Regions* continues to support the livability and sustainability of local communities and this investment will bring a timely, safe and appropriate level of service to all residents and visitors in Regional WA."

The \$23.16 million investment will help finance the purchase of two new and two replacement aircraft and has funded the new Broome RFDS base.

Each year, more than 9,000 people benefit from Royal Flying Doctor Service emergency aero medical retrievals and inter-hospital transfers.

"This is another significant *Royalties for Regions* investment providing essential quality health care services to regional and remote communities," added Vince.

### Fact File

- The \$23.16m investment is part of the \$195.58m Country Patient Transport Project which includes \$67.39m from *Royalties for Regions*, \$79.51m from the WA Country Health Service and \$48.68m from the Royal Flying Doctor Service

## **Yalgoo Hotel News**

### 2016 CHASE THE ACE WINNER

# Mr Ray Windfield

## **IMPORTANT NOTICE**

The Yalgoo Shire  
**Depot and Equipment is**

# OFF LIMITS

Unless you have permission from  
the Works Forman or Chief Executive Officer  
This applies to all residents for their own  
personal safety

## **Dog Registration**

All dogs over 3 months of age and cats over 6 months must be registered and wear a registration tag and a disc showing the owner's name and address.

ALL dogs & Cats must be Microchipped.

Registrations are due on November 1, and can be obtained for a period of one or three years. Proof of sterilisation is required at the time of registration.

Applicants must be over 18 years of age.  
Reduced rates (50%) are available for Pensioner Concession Card holders.

If your cat or dog wanders from home, it may be picked up by the Shire Ranger and taken to the pound.

Fees are imposed on all impounded animals and are payable to the Shire Council before the release of the animal.

**- PLEASE NOTE -**  
After 72 hours, an impounded animal, (unregistered), if not claimed or released, is disposed of

# SUN CITY BATTERIES

WHEN RELIABILITY IS PARAMOUNT

## ARE YOU PREPARED FOR HARVEST!!

### WE VALUE GOOD OLD FASHION SERVICE.

Sun City Batteries is a 100% Locally owned & operated business committed to customer service.

Call us on 08 9934 6903 or 0427 658 468

Let US help you get ready for harvest.

We carry leading brands such as Cobra, Neuton Power and Amaron PRO Long Life Batteries as well as Bosch and Vision products, we stock solutions for all agricultural equipment as well as all 4x4, cars, trucks, bikes and quad's.

Even your NBN UPS back up batteries.

We carry a full range of CTEK chargers, Lithium jump starter packs and portable alternatives to dual battery set-ups.

Need new battery leads? We can custom build to a high quality to your specifications.

We are always happy to help.
