EDITION: SEPTEMBER 2020

IAN HOLLAND APPOINTED SHIRE OF YALGOO CEO

The Shire of Yalgoo at its Council meeting held on the 26 August 2020 appointed Ian Holland as its new Chief Executive Officer commencing 29 September 2020. The Shire has been assisted by LO-Go Appointments with the recruitment process, who are specialists in recruiting to Local Government.

Ian is a formally qualified Engineer and has been working in Local Government at the Shire of Kondinin for the past six years. covers almost His experience every aspect of Local Government administration including road maintenance and construction works. lan married to Hanusia and they have a two year old son.

Hanusia is a qualified school teacher and currently manages a large day care centre in Corrigin. Ian and his family look forward to settling into the community and meeting everyone in Yalgoo, Paynes Find and pastoralists.

The Council expressed its sincere thanks to John Read for his excellent work as Acting CEO in assisting the Shire of Yalgoo over the past eleven months, which has resulted in a very stable workforce over that period, as well as achieving significant financial benefits to the Shire, which will assist the Shire in many years to come. John leaves in mid October after a two week handover with Ian.

SHIRE A/CEO - JOHN READ

As mentioned in another article in this edition of the Bulldust, Ian Holland has been appointed the new CEO for the Shire of Yalgoo commencing on 29 September 2020. Ian has extensive experience in almost every facet of Local Government administration and is well qualified for the role. I have every confidence in Ian and I am sure he and his wife Hanusia and family will settle into the Yalgoo community really well.

After being in the Acting CEO role for almost 12 months, it is with sincere regret that I leave the Shire of Yalgoo in mid October after a two week handover with Ian. I have thoroughly enjoyed my time with the Shire of Yalgoo and will sincerely miss the Shire employees and other friends I have made. It was the goal of the elected Council that I be appointed for a 6-12 month period to allow for the newly elected Councillors in October 2019 (election) to settle into their role and take their time in carefully appointing a permanent CEO. Over the past 12 months we have achieved a very stable workforce with the only employee leaving being Ted Bukelis, Plant Operator, who has retired. We also have achieved a very strong financial position with a very healthy surplus (almost \$2 million) at the end of June 2020, as well as achieving significant rating income from the rating of mining infrastructure. It is a good and satisfying feeling when you leave a local government as its CEO on really good terms with everyone, knowing that you have left the organisation in better shape than when you started.

The Shire has adopted its 2020/21 budget which has an unprecedented capital works program (over \$3 million). These include renovating the Yalgoo Community Hall, construction of two self contained rammed earth chalets at the Yalgoo caravan park, a new residence for the WACHS Nurse, new plant (Grader, etc.), new Community Bus, renovating the Yalgoo Museum, entry statements for Paynes Find, \$1 million bitumen construction works on the Yalgoo Ningham Road (8.5kms) and Yalgoo Morawa seal widening 7kms, etc.

Ray Pratt, (Works Foreman) and his wife Helen, (Yalgoo Caravan Park Manager) are retiring in October 2020 and Craig Holland and his wife Britt will take over the roles. Britt, who is an Enrolled Nurse is currently studying towards being a Registered Nurse, which will hopefully be of benefit to the community in after hours medical emergencies. I would like to take this opportunity to sincerely thank Ray and Helen for their significant contribution to the Yalgoo Shire over many years and wish Craig and Britt all the best in their new roles.

With the state border closure as a result of COVID-19, we have seen a huge number of caravans and tourists in the Shire over the past few months, with our caravan park full.

This will be my last Bulldust Newsletter report and I take this opportunity to wish the Shire of Yalgoo and its residents the very best in the future.

Regards

WORKS DEPOT—FOR SALE & PROSPECTING SUCCESS

SHIRE OF YALGOO - DISPOSAL OF VEHICLE

The Shire of Yalgoo invites written submissions for the purchase of its 2018 Toyota GXL 4WD Landcruiser crew cab vehicle. The vehicle has done approximately 120,000 kms and is in excellent condition. The vehicle may be inspected by making appointment with John Read, A/CEO on 0417 484 840. Submission in writing stating the price offered are to be submitted to the Shire Office by no later than 4.00pm Wednesday 7th October 2020.

DISPOSAL OF AIR COMPRESSOR

The shire of Yalgoo has a trailer mounted surplus to requirements. It is an airman compressor with an isuzu motor on a licenced Trailer all in working condition please contact shire foreman if you wish to inspect this item. & if Interested submit a price in writing.

PROSPECTING

The shire prospecting area has been very successful from a tourist point of view. Prospectors can purchase a permit for \$10 from the shire and this gives them the opportunity for 2 people to prospect for one week. We have issued over 200 permits so this in effect has been a tremendous boost to tourism for the town of Yalgoo. Some prospectors have gone away empty handed but many have been

lucky enough to leave with a piece of Yalgoo gold. Gary a new prospector just starting out came here with a small cheap detector and was lucky enough to score a beautiful nugget weighing 2 ounces. We have many photos of happy customers. The prospecting area is 600 hectares in size so there is plenty of room for prospectors.

COMMUNITY DEVELOPMENT

EMU "CHICK" FESTIVAL & COVID-19

Get ready for an evening of Outdoor Shinema, live music, circus, fun & fireworks on Saturday 3rd of October. The Yalgoo Emu 'chick' Festival is a smaller version of our annual 'Yalgoo Emu Festival' due to covid-19. This is a free event for the Shire of Yalgoo community & we look forward to welcoming visitors back to our regular festival program in 2021". Our since thanks to Chapman Valley men shed and WA Primary health alliance for bringing the Shinema to Yalgoo Emu "Chick" Festival in 2020.

GEOREGION LAUNCH

The official launch in Mount Magnet on Friday 18th September went very well and the Shire of Yalgoo will present a screening of the official launch for tourism operators and community members who could not attend. Comprising seven SHIRES of CUE, MEEKATHARRA, WILUNA, MOUNT MAGNET, MURCHISON, SANDSTONE, YALGOO - the Murchison GeoRegion harnesses this subregion's incredible geology, natural landscapes, biodiversity (flora and fauna) as well as culture (Aboriginal and Non Aboriginal) to offer unique experiences to a growing state, national and international Geotourism market - which is designed to generate social and economic prosperity. More screening details soon.

TOUCH RUGBY & RUGBY ROOS

The Shire has engaged Tom Gorman to teach and run Adults Touch Rugby on Friday evenings starting in Term 4. Touch will be held from 7pm Friday evenings to escape the heat with teams made of approx seven a side. Tom will also hold Rugby Roos training on Saturday mornings from 9am for children of all ages.

Young people aged 13—17 years are welcome to register their interest in Adults touch rugby sessions with Emmaline and Dannii.

HACC & AGED HOUSING

The Shire is seeking interest from elders who would like assistance through the HACC Home and Community Care program through Mullewa Hospital. Please contact Emmaline on (08) 9962 8042 or email community@yalgoo.wa.gov.au about completing form.

COMING SOON

COMMUNITY CONSULTATION

As part of our community consultation process in strategic planning, we are seeking your help to plan our facilities, services and projects to support the growth and development of our Shire. Experienced consultants, Margaret Hemsley and Catherine Ehrhardt from LG People and Culture will be facilitating the next phase of the SCP engagement process. You are invited and encouraged to attend the Community Consultation workshop at Core Stadium with the consultants on Tuesday 6th September 5:30—7:30pm in Yalgoo. Paynes Find workshop will be held in Paynes Find on Thursday 8 September 11— 1pm at First Aid Post.

WAPOL YALGOO POLICE

IF YOU REQUIRE POLICE ATTENDANCE, BEST PRACTICE IS TO CALL 000 OR 131 444

Yalgoo Police have been busy with community engagement.

On Tuesday 4th of August Yalgoo Police participated in a Rugby Union workshop in Mullewa with children from Yalgoo and Pia communities attending with Mullewa. The day was organised by Tom Gorman a passionate Rugby union WA supporter. Sporting equipment to the value of \$3000 was donated to the day by EMR Golden Grove.

Yalgoo Police conducted a road rules workshop with kids at the Yalgoo Primary School, Police encourage the kids to wear helmets as all the community should to protect the head should a fall occur.

Yalgoo Police also presented the Yalgoo Primary School with cricket equipment kindly supplied by the Western Warriors. Police participated in a cricket game at the school and everyone had a lot of fun.

Road Policing is a priority for the Yalgoo Police and we spend a lot of time on the highway. The next school holidays are not far away and for those travelling please keep to the speed limit, make sure you wear seatbelts and have a safe journey.

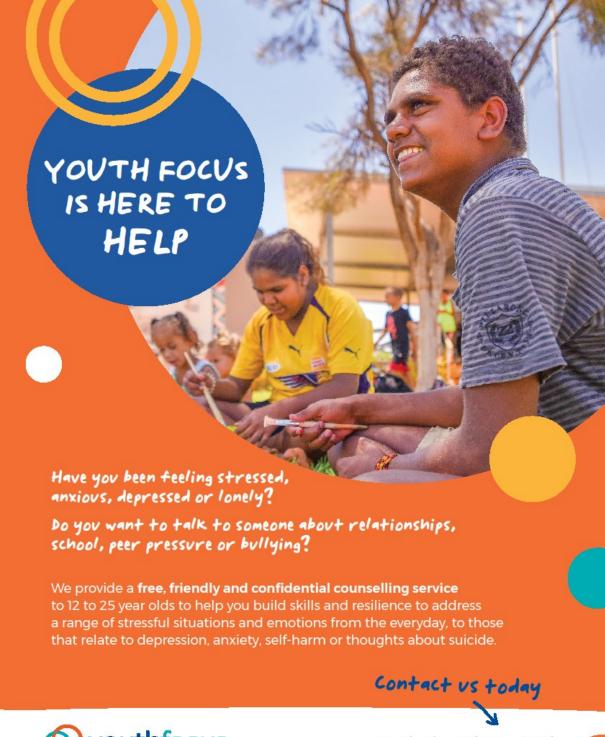

I have noticed in the year I have been here that some residents of Yalgoo are not very considerate with the playing of loud music late into the night and early hours of the morning. The Environmental Protection Act 1986 Section 81gives Police the power to issue Noise Abatement Notices to a home owner to desist with loud music for a period up to 7 days. Failure to comply with a Noise Abatement Direction can result in a prosecution and a maximum fine of \$5000.00. The Act also provides Police the powers to enter a premise and seize equipment they believe is causing the noise. I ask all residents, that you be considerate to your neighbours when having a party or gathering.

Yalgoo Police have also had a theft and trespass report last week. Please remember to lock your valuables away. There are some in the community that do not respect other people's property.

WEDNESDAY 30TH SEPTEMBER 2020

EON FOUNDATION

G'day Yalgoo and beyond,

It's a pleasure to be writing to you all again, I trust you are well, warm and happy.

The days are flying by faster than I ever knew possible, the shortest day behind us, flowers beginning to bloom, it's starting to feel a lot like spring!

Our EON school garden has been exploding with different veggies for the past few months. Heads of cauliflower, cabbages, broccoli florets, millions of snow peas, kale, coriander, dill and celery. Our corn is tall but yet to produce any cobs worth writing about, watch this space.

We have planted a bunch of trees - mulberries, lemon, lime, orange, mandarin and mango. Massive thanks as always to the golden gems at Yalgoo Shire; Trev, Chris and thank you Ray for gifting us their precious time. We couldn't have made it this far without you all.

EDITION: SEPTEMBER 2020

As much as the evenings and mornings are chilly, spring is surely around the corner and it's time to get your garden ready to get the most we can from this season.

Soil – Soil is where all the magic happens, and we are so lucky out here in the Mid West to have such mineral rich soil to begin with. Adding organics to create structure and drainage, and to add nutrients also goes along way. Manure is magic – goat, sheep, cow, horse (if it has been well composted so the weeds do not germinate) and chicken in small safe doses.

I think of building soil like baking a cake: a few wheelbarrows of wandari, half a wheelbarrow of river sand, a wheelbarrow of manure and 10 cups of organic dynamic lifter; mix and leave to sit for a week or so. Keep well-watered, add your seeds, add the final finishing touches of mulch, and then ta-da, in a month or so's time beautiful veggies to enjoy all around. It really can be that simple.

Retic / Water – We all know how important water is to nature, to humankind and to our gardens. It can be as straight forward or complex as you want to make it. If you have the space, time and patience the old hand watering with the hose technique will work just fine. If you are short for time, then perhaps using a small tap timer would be better. Retic is a lot like lego really, very straight forward once you get your head around. Water runs from the tap, down to the pipe, which then elbows into your garden. And this can happen twice a day, or once a day, or twice a week - it will work however you set it.

If retic is another language for you feel free to contact me and I will be happy to look at options at your home!

The space – Picking a spot for your garden doesn't have to be complicated either. An old bath tub with the plug left out, a clean food grade IBC, an old rainwater tank cut in half or the tried and tested "no dig garden bed". You should aim to have 6 hours of direct sunlight on your veggie patch to get the most from it.

The crops – Heading into spring I'm getting my summer crops ready to go! Things like; tomatoes, cucumber, zucchini, chillies, capsicums, sweet potato, pumpkins, basil, eggplant, beans and peas. A lot of these I am growing from seed that has been saved from last year. The sweet potatoes are from cuttings that have been propagated, and the potatoes are ones from the shop that started to sprout in the pantry. Potatoes are awesome for this! If they grow "eyes", those funny little lumps that you see on them sometimes, that means they are okay to be planted in the garden! Have a go and see how much fun pulling up potatoes in a few months can be. They say 1 potato can grow to yield 1 kg!

Well Mid West mob I hope these little tips have inspired you to get out in the garden. If you happen to spot me around town be sure to stop and have a chat.

Also, if you tune into ABC Radio Midwest and Wheatbelt on a Saturday morning @ 6am you will be able to catch me chatting all things gardening with Nat Browning.

Take care and happy gardening everyone.

YALGOO ARTS CENTRE

HELEN ANSELL PAINTING WORKSHOP

Helen Ansell's painting workshop werea hit with 15 Artists joining the painting workshops over two weeks. Helen returns to Yalgoo in November 2020 for NAIDOC WEEK to assist the community to create a collaborative mural at the Yalgoo Arts & Cultural Centre building.

MARIANNE PENBERTHY TEXTILES

Marianne Penberthy is an International Artist residing in Geraldton, Western Australia. Marianne shared her extensive knowledge of mark making on textiles through bundle dying and tannin processes. We look forward to seeing Marianne in Yalgoo again.

NATALIE JACKSON & DENISE READ FELTING

Plenty of sore arms but huge smiles could be seen after the Felting workshop in August held at Core Stadium. Ipad covers, wall hangings and Book covers didn't make it to the Arts Centre gallery (Artists loved them so much they kept them) but keep an eye out for future creations.

HELEN COLEMAN TANNIN DYE

Chemistry and experimentation abound with the Natural Dye and Tannin workshop with West Australian Artist Helen Coleman in September tat the Yalgoo Arts Centre. Working with local flowers and barks Helen taught Artists how to create their own colourful inks to use on paper, silk and cotton. The textiles experimentation continues! Watch this space!

UPCOMING

TOM DE MUNK-KERKMEER—ARTIST IN RESIDENCE—SEP/OCT

Tom de Munk-Kerkmeer is an International multi disciplinary artist whose main focus is Sculpture, but who uses painting, installation, performance, gardening/land-art and sustainable design as integral parts of his arts practice.

Tom will be working as the Artist in Residence at the Yalgoo Arts & Cultural Centre from Friday 25th September - Monday 5th October. Tom will offer an open studio style workshop where people can drop in and participate in the creation of a contemporary outdoor sculpture for the Yalgoo Arts & Cultural centre.

DFES - BUSH FIRE SERVICE

PASTORAL FIRE SAFETY

AWARENESS

Are your buildings including out buildings and other infrastructure safely protected from bushfire?

Pastoral areas that have had significant rainfall can have well above average grass growth. The possibility of large uncontrolled bushfires in these areas are a real threat. Your awareness and preparations can make the difference

Make A Bushfire Plan

Having a plan in place that all family members, workers and visitors are aware of will save you time in an emergency.

Who is at home? Who can help? Which way will you leave if you need to? Who do we contact? And How?

www.dfes.wa.gov.au/firechat

Undertaking these steps will help

- Clean away vegetation and rubbish from around buildings.
- Clean out gutters and prune trees around buildings
- Clean grass and rubbish away from fuel storage facilities.
- Widen mill run tracks to help stop fire spread. This will also help with fire suppression strategies.
- Putting in fire breaks around remote outbuildings and unused water supplies.
- Keep vegetation around buildings grazed if possible.
- Check fire fighting equipment and keep it readily available.
- Put in a fire break around the house paddock.
- Thought should be given to livestock welfare and movement
- Have good maps on hand

TOURISM

- If Tourism activities are undertaken on your station make sure fire breaks are in place around buildings and campsites etc.
- Make sure emergency evacuation procedures are in place for tourists on your station.
- Advise tourists on dangers of businfine.
- Camp fires can only be lit with authorisation from the station owner (*Subject to restricted/prohibited burning times).
- Keep a record of who is where on the station.
- Be aware you are in a bushfire area and look out for smoke.

FIRE MONITORING

- Fires can be monitored on Websites such as:
 - Landgate Fire Watch
 - . North Australian Fire Information (NAFI) or
 - Sentinel
 - Emergency.wa.gov.au (Incident Warnings)
- By accessing these sites it is possible to see where the fire is burning and also measure the burnt area. Images update periodically with accuracy +/-2km
- If a bushfire occurs on your station be sure to call 000

For a Fire Emergency Call:

YALGOO BULLDUST

EDITION: SEPTEMBER 2020

YALGOO CARAVAN PARK

The Yalgoo Caravan Park is situated in the main street of Yalgoo (Gibbons Street) which is a comfortable six hours drive north of Perth or just two hours east of Geraldton. We have first rate facilities to suit all travelers including; motel style unit accommodation for singles, couples or families, large powered or unpowered caravan sites and drive through sites big enough to suit the largest RV. Pets are welcome to this clean and friendly park.

One of the best features of the Yalgoo Caravan Park is its central location to the many attractions in the region. Within a short distance from the park you can experience a wildflower wonderland from late July to September, visit one of the smallest Dominican Chapels built by Monsignor Hawes and see majestic Wedge Tail Eagles, kangaroos or emus in their natural environment. For the convenience of our visitors there is a tourist information centre situated in the caravan park.

The Yalgoo Caravan Park offers travelers a full range of on-site facilities including:

- Rammed earth units to accommodate all types of travelers
- Drive through sites for the largest bus, motor-home or caravan
- Shady large sites with concrete slabs
- Modern camp kitchen with fridge, microwave, 2 hotplates, toaster & electric jug
- Laundry with washing machine & dryer
- Ensuite style bathrooms
- Family bathroom with full size bath
- Large disabled shower/toilet room for wheelchair and carer
- Sullage dump poin
- Water access
